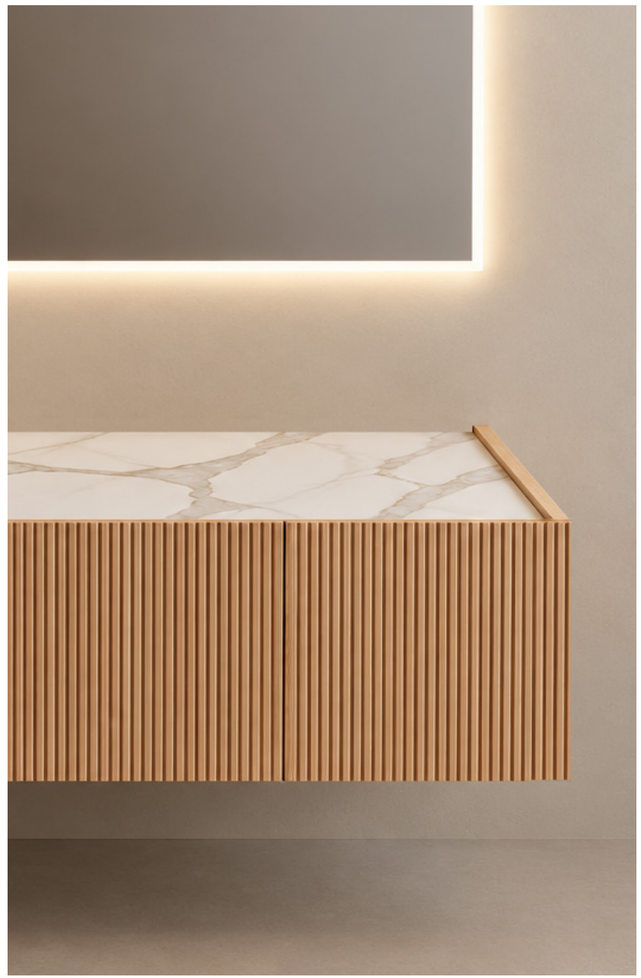
ONDA

The softness of curves meets the natural beauty of wood. ONDA transforms the bathroom into a space of harmony, sophistication, and timeless balance.

SIENA

The power of nature inspires SIENA. The richness of wood and the intensity of marble come together to create exclusive, authentic spaces full of character.



NOMA

The essence of contemporary design comes to life through clean lines and warm materials. NOMA invites you to enjoy serene spaces, where every detail conveys a sense of well-being.

NOMA

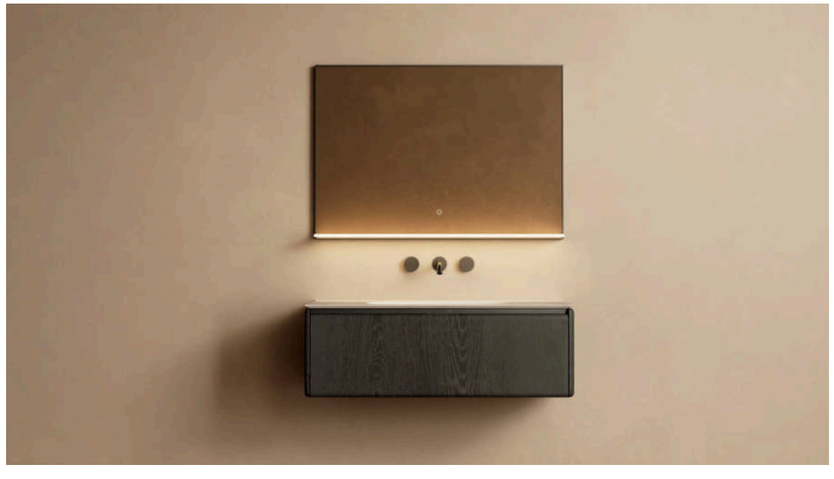
OVAL

Organic shapes and soft contours define OVAL—a design concept that embraces the space, making small details the focal point of a warm and inviting bathroom.

AXIS

Character, geometry, and balance come together in AXIS. A collection of architectural lines that expresses a new way of understanding the bathroom, combining functionality and personality.

AXIS



ATLAS

The beauty of natural materials is expressed through elegant volumes and carefully considered proportions. ATLAS brings presence and warmth, creating environments of serene and lasting sophistication.

ATLAS

LENO

Naturalness and design converge in LENO. Its delicate forms and minimalist aesthetic create a welcoming atmosphere, where simplicity becomes a true, everyday luxury.

LENO

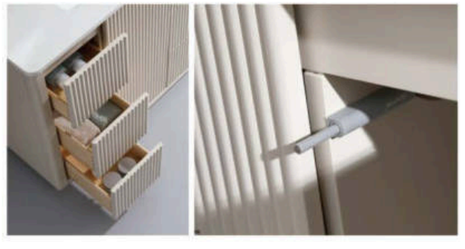
TRAMA

Geometry and texture come together in a design full of personality. TRAMA combines elegance, visual rhythm, and refined details to create unique, contemporary-inspired spaces.

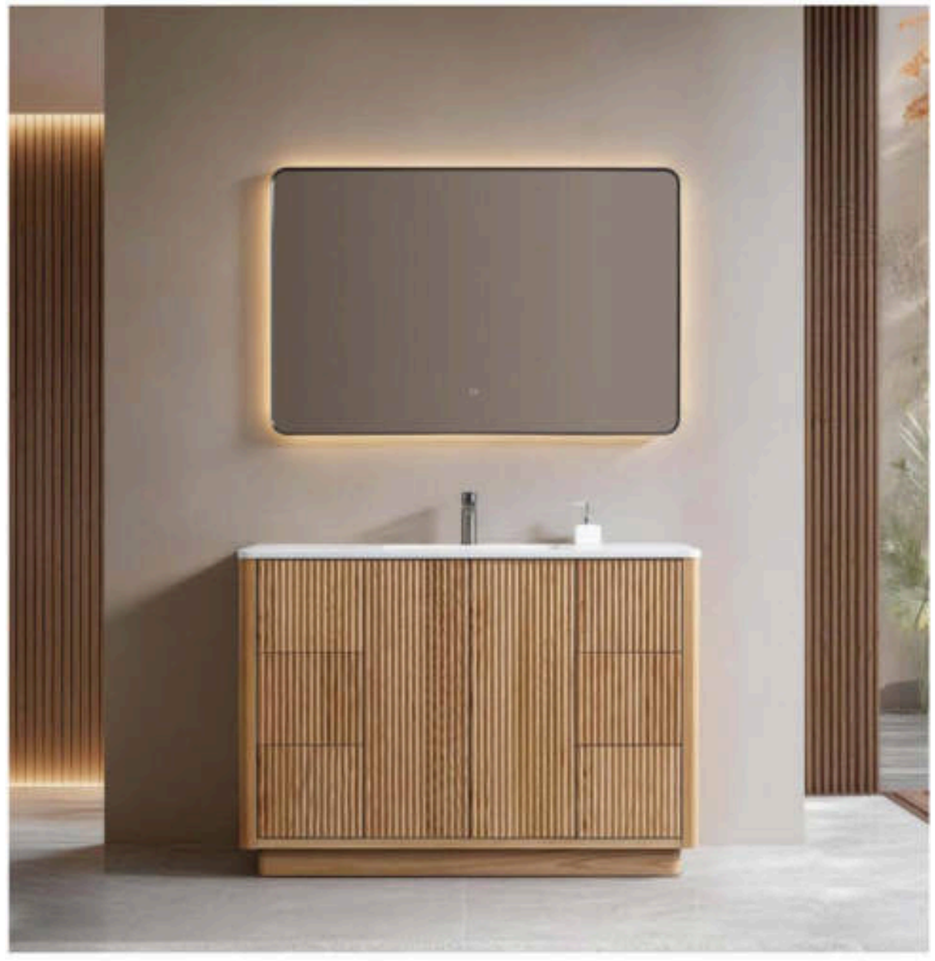
The elegance of clean lines combines with the warmth of wood. FORMA embraces a balanced, functional, and timeless design, creating spaces full of harmony and personality.

FORMA

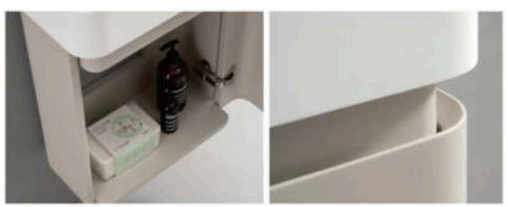
RITMO

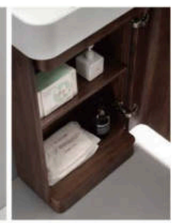


Textures that come to life, lines that generate movement. RITMO plays with geometry and light to create furniture with a unique personality and contemporary elegance.



MINI





Design also finds its ultimate expression in confined spaces. MINI combines intelligent solutions, compact proportions, and minimalist elegance, without compromising everyday comfort.
